

Mission Moment - August 26, 2018

Story Hill Church Launch

Please play the provided video on your Roku Player.

Today is the day... Story Hill, our church plant in Lawrence, Kansas, officially opens its doors! At 10:30am they will start their first service on the campus of Kansas University.

Aaron & Kristen Rodgers, our former College Pastor, moved over a year ago to train and prepare to plant Story Hill Church. Members of our church, Jeff & Tracy Roberts, moved to Lawrence a few months ago to be apart of the launch team and serve the church as it begins its impact on KU.

Beginning in 2019, our church will be supporting them fincanially on a monthly basis. Many of our church members have chosen to support them financially as well. If you are interested in supporting Story Hill financially, please, email our Mission Pastor, Scott Ward, at scott@grandfamily.net.

Pray

Please take a few moments this morning and pray for the launch of Story Hill Church. Pray for Aaron as he preaches. Pray for their leadership team. Most importantly, pray that salvation will come to the lost and that disciples will be made!

Save The Date

October 21 at 5pm will be Go Night. This is a family event that celebrates all of what God is doing in missions at Grand. Each of our partnerships will be featured with a booth with activities for your kids, information on how you can pray, future trips, and some exotic foods and drinks to try. It will be an evening you don't want to miss.
