For The City - September - "We Love Our Firefighters!"

*Please play the provided video on your Roku Player.*

Our For The City emphasis for September 2018 is "We Love Our Firefighters!" We are asking each of our Sunday School Departments to collect snacks throughout the month. At the end of the month, gather all of the snacks and take them to your assigned Fire Station. Be sure and take some pictures and email them to [scott@grandfamily.net](mailto:scott@grandfamily.net).

You will notice that some of your classes are working together, since there are only 11 Fort Smith Stations.

### **Pray**

Please take a few moments this morning and pray for the firefighters in our area.

### **Do Something**

Next Sunday, September 9, we will be having an informational meeting right after morning worship in Room 114 to tell you more about our upcoming trip to Honduras. In February we will be going to Honduras to work at Orphanage Emmanuel. If you are interested in this trip, please, come to the meeting next week.
