

## Mission Moment - October 7, 2018

### For The City: October

*Please play the provided video on your Roku Player.*

Our For The City emphasis for October is "We Love Our Neighbors."

In today's culture, it is easy for us to drive home from school or work, park in the garage, walk in the house, and never see the people that we are living right next to.

Have you ever thought that God might have placed you in your neighborhood strategically to be a missionary?

This month we want to encourage you to think of ways to engage your neighbors in acts of kindness and spiritual conversations. It might be simply making a plate of cookies, taking it over, and asking if there is anything you can pray for them for. It could be that you go BIG and host a neighborhood block party. There are countless ways to reach out to your neighbors.

### **Go Night**

Our annual Go Night will be October 21, 2018 5pm-7pm. We will begin Go Night in the Worship Center with some worship and a time of encouragement from Doug Sarver. Doug is the Minister of Global Missions at Cross Church in Northwest Arkansas. After the worship service we will move to the Activities Building where each of our local, national, and international partnerships will have a booth set up for you to explore all that Grand has to offer.

We will provide childcare for preschoolers and younger, and we will have lots of opportunities for your children to explore the booths as well. Many of our booths will have different foods and drinks from around the world, and we will have a children's scavenger hunt!
