On January 20th after morning worship we will be having a special vision lunch for those interested in being sent as missionaries to Cornerstone Church. The lunch will be held at Cornerstone Church (2200 Dallas Street). You will have the opportunity to hear from Pastors Brad Lewter and Hunter Thompson.

Just within the last few months we have launched the Multiply Network. This is our church's initiative to plant, replant, and revitalize churches throughout the River Valley. A big part of that strategy is to send out people from our church to serve and lead in these new works.

Cornerstone Church is our first church to participate in a revitalization effort. In our last yearly business meeting back in October, we voted to acquire all of Cornerstone Church's assets. Our long-term goal is to see Cornerstone Church become a fully autonomous, healthy, multiplying church in the River Valley.

If you feel led to be apart of the Mutltiply Network and/or Cornerstone Church, contact our Mission Pastor, Scott Ward, at scott@grandfamily.net.

Do Something

Next week is our annual Lottie Moon Christmas Offering. Southern Baptist Churches all over the world take this offering up in memory of Lottie Moon, an incredible missionary to China. 100% raised goes towards funding our International Mission Board Missionaries on the field. This morning you will find giving envelopes in your chairs or pews.
