### Cross Conference

This week our College Pastor, Aaron Chastain, is taking a group of college students to the Cross Conference in Louisville, Kentucky. This is a biannual conference sponsored by the International Mission Board and a few other mission agencies.

The whole purpose of the Cross Conference is to mobilize college students to complete the Great Commission.

Our college students will have the opportunity to hear from incredible speakers, such as David Platt and John Piper, and they will be able to attend numerous breakout sessions led by some of the top mission practitioners in the world.

### **Prayer**

Please take some time this morning to pray for our college students and for our College Pastor, Aaron Chastain. Pray that God would not only do a huge work in the lives of those going to this conference but in all of our college students. Pray also this morning for the hundreds of college students yet to be reached on the University of Arkansas - Fort Smith campus.

### **Do Something**

Monday, January 14th, 6pm-9pm, we will be launching our new Perspectives Class. This is a class that over 100 of our people have taken over the last 6 years. It lasts 15 weeks with 15 of the best guest speakers you will ever hear. The cost is \$275 and includes a text book and workbook.
