

Mission Moment - May 12, 2019

Mother's Day

Please play the provided video on your Roku Player.

Every year on Mother's Day, we like to remember a very special group of moms: moms who are missionaries and church planters. Many of these moms are serving in places and areas where they don't get the recognition they deserve.

Many of these moms have challenges that many mothers here in the US don't face, like cooking from scratch, learning a new language, dealing with a different culture, homeschooling their kids, etc.

On this Mother's Day will you take some time and pray for the mothers who are serving with their husbands as church planters and missionaries? If you personally know one of these moms, send them an encouraging email today.

Wyoming

Deposits for Wyoming are due May 28. If you are interested in this mission trip, go to www.GABCMissions.com to find out more. There is a pdf info sheet available at that website that will give you all the details.

Law Enforcement Officer Memorial Service

Don't forget, Wednesday, May 15, is the Law Enforcement Officer Memorial Service where our law enforcement community remembers those who have fallen in the line of duty. The service is at 10am at the courthouse and is open to the public. We are encouraging all of our members to attend to show our support. We are also providing a lunch to all of our officers right after the ceremony. If you would like to provide a dish for the lunch, go to www.GABCMissions.com to sign up.
