Flood Recovery - Volunteers Needed

Please play the video provided on your Roku device.

Simply put... We need volunteers!

Beginning Monday, June 10 at 7am, we will be deploying 5 teams to mud-out homes across the city that have been damaged by the flood. Each team needs at least 6 volunteers, so we need 30 people each day. You will show up at 7am at Grand in Room 118 to fill out a medical release form and get your volunteer shirt.

If you can only give a couple of hours, still come to the church first. There will be someone in Room 118 or close by to get you processed and sent to the correct location. We are working on putting together an evening crew for those who might be able to give a few hours after you get off work. Be looking for info on this or contact Scott or Don if you are interested.

Be sure and wear some good, solid shoes, like rubber boots or waterproof work boots and wear long pants. We will provide everything else, including gloves, masks, Tyvek suits, etc.

You can bring a change of clothes and shower at the church in the shower trailer. They have towels and soap. This way you don't risk contaminating your home.

Prayer

Please take some time this morning to pray. We have three big prayer requests this morning...

1. Pray for our Student Ministry mission team in Peru right now working with IMB missionaries, Adam & Jess Huser.
2. Pray for our women's mission team in Tanzania right now working with local partners, Fanuel & Monika Kiroka.
3. Pray for all of those affected by the flood. Pray that our church and many churches in our area will be a gospel light.
