### Father's Day

*Please play the video provided on your Roku device.*

Holidays can be a lonely time for our missionaries and church planters. Day after day they give and give and sometimes get very little in return. As a supporting church, it is our job and blessing to be an encouragement to them.

On this Father's Day would you be willing to send a short note of encouragement to our fathers who serve the Lord as missionaries and church planters all over the world?
