Who's Your One? Recap

Please play the video provided on your Roku device.

Who's Your One? is a campaign that we started back before Easter this year. It is a nation-wide campaign for many Southern Baptist Churches started by our SBC President, J.D. Greear. The aim is to get individuals to find one person in their life that does not know Jesus and intentionally begin to pray for them, start spiritual conversations with them, and eventually share the gospel with them.

We asked every one of our members here at Grand to fill out a card writing the name of your One on it and turning it in. Each staff meeting since April our staff has been praying for these names and praying that our members would have the boldness to share the gospel.

The question, then, is... Where are you at with your One? Do you have any updates to share? If you would be willing to share, please, email our Mission Pastor, Scott Ward, at scott@grandfamily.net.

Many of you put a question mark on the commitment card indicating that you are making a commitment to this campaign but you don't have a One yet. Do you have a One now? Go by a Do Something Station TODAY and fill out a new card with the name of your One on it.

Flood Recovery Update

As of last Tuesday, Arkansas Baptist Disaster Relief fulfilled all of their job orders in Fort Smith and moved down the river to Pine Bluff. We had a volunteer team from California come in on Tuesday night, and Wednesday through Saturday we worked on two houses in Moffett. We are now letting homes dry out, and we will shortly begin doing some rebuilding work.
