For The City: July

Please play the video provided on your Roku device.

Our ***For The City*** emphasis for July is ***We Love Our Postal & Sanitation Workers***. We would love for you to take the opportunity to reach out to this group of workers in our city that often go unnoticed.

You could easily make a bag of cookies to give them or even purchase them a gift card. Use it as a chance to start a spiritual conversation with them, which might lead to the gospel. Ask them how you might be able to pray for them, and then follow up on that prayer request at a later date.

Flood Recovery Update

We will be starting the rebuilding phase of flood recovery shortly. This is where we really start to get homeowners back into their homes. In order to do this, it takes donations. Many of the folks that were flooded had no flood insurance. This was such an extreme event that people living in the 500-year flood plain had water in their house. If you would like to give towards Flood Recovery, you can go online to www.gabc.church or designate a check.
