*Please play the video provided on your Roku device.*

Grand Avenue Baptist Church loves the educators around the River Valley, and we want to show that love in tangible ways, especially as we launch a brand new school year.

Be sure and head over to [www.GABCMissions.com](http://www.GABCMissions.com) to find some ideas that you can do to bless our educators. Also, be looking out in the next week or so for some church-wide projects.

### **Prayer**

Take a moment this morning in your class time and specifically pray for the educators and school administrators in the River Valley. You might even recognize those in your department and pray specifically for them by name. Pray also for our students that will be heading back to school - that they would be a witness in that most crucial of mission fields.
