The question is not whether or not every ethnic group will be around the throne. Revelation 7:9 tells us that's going to happen. The question is whether or not you'll be a part of it.

Go Day is an opportunity for you to find out all of the different ways that you can be a part of God's plan to redeem the nations back to Himself.

On Sunday, October 20, during the morning worship service will be welcoming guest speaker, Dr. John Marshall. Marshall became pastor of Second Baptist Church, Springfield, in 1995. During his pastoral tenure, the church was annually one of Missouri's leading churches in baptisms, as well as the state's largest contributor to the Cooperative Program. Nationally known as a mission-minded church, Second Baptist has given \$2.6 million to plant 51 new churches in the US in the past seven years. After 22 years as Second Baptist's pastor, Dr. Marshall retired from full-time ministry and is now enjoying time with family and serving as an interim pastor.

Following our regular time of worship, we are inviting everyone to go over to the Activities Building where we will have booths representing all of our mission partnerships located. Throughout the booth fair you will be able to find out about all of our mission partners, future mission trips, and even sample some foods from the different places we go.
