Columbus, Ohio Day, not Christopher Columbus!!!

Every year, we pick the Sunday close to Columbus Day and use that day to celebrate our church planting partnership in Ohio.

This year on Sunday, October 13, we will be taking up a one-time offering for our church planting efforts in Columbus. You can use the offering envelope provided or you can give online.

Your money will go to help guys like Jason Williams at Church in the Wild ([www.citw.faith](http://www.citw.faith)) or Aaron Taylor at Living Hope Church ([www.livinghopecolumbus.com](http://www.livinghopecolumbus.com)). These are both new plants doing incredible work in a difficult city.

### **Pray**

Take a few moments this morning and pray for Jason Williams at Church in the Wild and Aaron Taylor at Living Hope Church. Pray for blessings on their family. Pray for their church - that they would see many people come to faith in Christ.

### **Go Day**

2 MORE WEEKS!!! Go Day will happen on Sunday, October 20. We hope that you will make plans to attend that Sunday morning for our guest speaker, Dr. John Marshall and for our booth fair right after church in the gym.
