Orphan Sunday will be next Sunday, November 10. This is a Sunday recognized all over the world to raise awareness for orphan care, foster care, and adoption.

During that Sunday morning we will host several booths in our Guest Services area that highlight each of these areas that our church participates in. We hope you will make a point and walk through the area either before or after the morning worship service on November 10. Some of the organizations who will join us will be...

Connected Area 2 - Foster Care
First Choice Pregnancy Medical Center
Dillon International - International Adoptions
Orphanage Emmanuel - Honduras

For The City Week & Offering

Every year throughout the month of November, we take up a special offering for local missions called the "For The City Offering." 100% of the money donated to this offering goes to support our local mission efforts, including diaper bags for First Choice Pregnancy Medical Center, Bibles for our firefighters, donuts for the Sanitation Department, etc. Look for the special offering envelopes next week.

Also, signups for *For The City Week* will be launching soon. This is one week in December to do good in our city.
