## Mission Moment - November 17, 2019

For The City Offering/For The City Week/Mission Magazine

*Please play the video provided on your Roku device.*

**For The City Week** - This is one full week where we are calling an all out blitz of service projects in the River Valley. We have projects scheduled for morning, afternoon, and evening. We have projects for skilled workers and for anyone, even kids! Signup NOW!

We want you to signup for as many projects as you can do! 90% of these projects will only last about 1 hour or less. Prior to your scheduled project, you will come up to Grand in Room 118, be given a t-shirt, any materials you might need, instructions, and someone will pray over your team. It's that simple!

**For The City Offering** - Each year throughout the month of November, we take up a For The City Offering. 100% of the money received goes towards local missions.

Please be in prayer about how you can bless our community financially through this offering. We will have special offering envelopes available or you can always give online and designate that gift to "For The City."

**Mission Magazine** - Be sure and get your copy the next time you are at church. They are located in the Mission Area of Guest Services.

If you have a question about missions at Grand, you can probably find it in there. Here are a few of the items... 2020 mission trip calendar, description of our partnerships, local mission opportunities, the new Prayer Ministry, mission education and training opportunities.
