Mission Moment - December 1, 2019 Week of Prayer for International Missions

Please play the video provided on your Roku device.

Your prayers for the multitudes transform lives!

December 8-14 is our Week of Prayer for International Missions. Each year in December we set aside a week to focus our prayers on our international missionaries and their work among unreached people groups.

We do have a prayer guide available in your Sunday School Department, or you can pick one up in the Mission Area of Guest Services. Also, this guide is found online with videos you can watch at www.imb.org.

For The City Week

For The City Week begins TODAY!

This is one full week where we are calling an all out blitz of service projects in the River Valley. We have projects scheduled for morning, afternoon, and evening. We have projects for skilled workers and for anyone, even kids! Signup NOW at www.GABCMissions.com!

We want you to signup for as many projects as you can do! Many of these projects will only last about 1 hour or less. Prior to your scheduled project, you will come up to Grand in Room 118, be given a t-shirt, any materials you might need, instructions, and someone will pray over your team. It's that simple!
