## Mission Moment - January 12, 2020

### Perspectives

*Please play the video provided on your Roku device.*

Our first night of Perspectives is tomorrow evening 6:30pm-9:30pm in the College Room (120). This first class is free of charge and is made available for you to come and check out the class. Everyone is welcome. We do not provide childcare, though.

Our first night's speaker will be Sean Cooper. Sean is a member of the Traveling Team, an organization that goes to every college and university in the US and some around the world to mobilize college students for missions. He is a dynamic speaker that you don't want to miss!

We will have drinks and food available, and, if you decide to take the course, you will be able to sign up before or after the class. The class is \$275 for 15 weeks. We do have scholarships available. Contact Scott Ward at [scott@grandfamily.net](mailto:scott@grandfamily.net). There is also a family discount available when you sign up.

### **For The City: January**

Our For The City emphasis for January will be Sanctity of Human Life Month. We will be collecting diapers throughout the month to supply the First Choice Pregnancy Medical Center. You can bring any size diapers to the Missions Area of Guest Services throughout next month.
