RVCLC Fundraiser - Changed Hearts = Changed Lives

Please play the video provided on your Roku device.

Come by the Mission Area of Guest Services today and pick up a heart-shaped piggy bank. Throughout the month of February, use this bank to collect your loose change for River Valley Christian Life Corps. At the end of the month, bring your heart bank back, and we'll put them all together to give a donation to this wonderful nonprofit in our community.

RVCLC provides Christian mentoring to people in our community to get them back on track physically and spiritually.
